1. Available on loan from the CIA Library is a ~~microfilm~~ copy of an 88-page typewritten thesis entitled "A Critical Study of Teacher Education Program in Turkey," written by a Turkish national in partial fulfillment of the requirements for the degree of Master of Arts at a US university. The author holds the degree of BA from the University of Istanbul and is presently on leave of absence from her position with the Turkish Ministry of National Education.
2. The study presents the historical background of the Turkish education system, evaluates past elementary teacher training programs, and analyzes the present program. The author draws on current [1952-1953] Turkish government documents having bearing on the subject and also puts to fullest use the information obtained from a professional opinion poll of 50 Turkish teachers.
